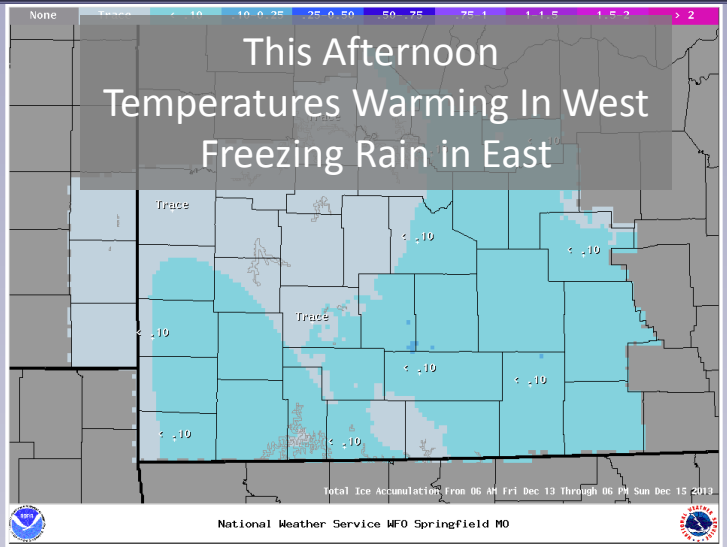
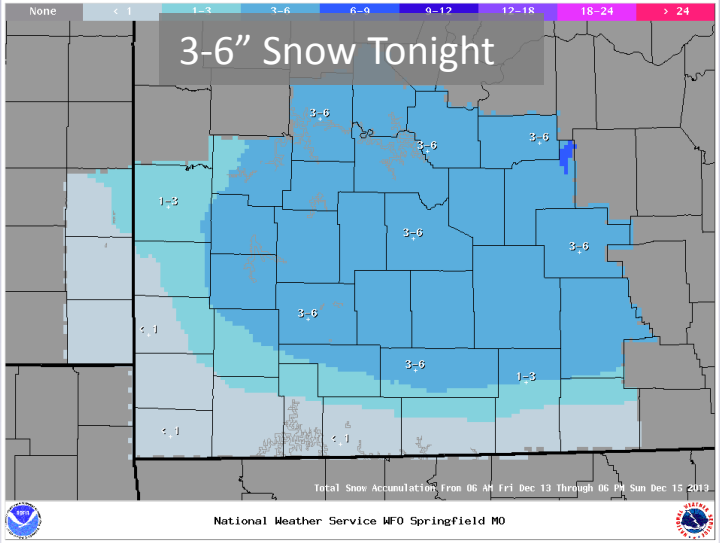
Situation Report

Winter Weather Update





- **Hazard Risk:**
  - Freezing rain east of Hwy 63 this afternoon
  - Snow this evening/tonight.
- **Watches/Warnings/Advisories:**
  - Winter weather advisory region wide through tonight.
  - Trends indicate higher snow may fall tonight along and north of I-44. An upgrade to a warning is being considered.
- **Impacts:**
  - Road conditions will improve west of Highway 63 this afternoon as temperatures climb into middle 30s. Farther east a 1/10 - 2/10" of freezing rain will make roads very slippery.
  - Rain will change to snow this evening . Amounts have been raised and data is being analyzed over the need to raise higher.
