WISCONSIN, Southeast

WIZ065>066-070>072 **Waukesha - Milwaukee - Walworth - Racine - Kenosha**

03	2030CST				0	0			Dense Fog
	2359CST								

Dense fog developed over the southeast corner of Wisconsin during the evening hours, resulted in delays or cancellation of airline flights from Milwaukee's Mitchell Field (Milwaukee Co.), and other local airports. Visibilities were reduced to 1/8 to 1/4 mile. The dense fog was a result of a moist south-southeast flow off of Lake Michigan with air temperatures and dewpoints of 38 to 40 degrees F.

WIZ070>072 **Walworth - Racine - Kenosha**

20	1930CST				0	0			Heavy Snow
21	0300CST								

Heavy snow fell over the southeast corner of Wisconsin during the evening and overnight hours. Maximum snow amounts were 8.5 inches in Genoa City (Walworth Co.), 7.0 inches in Kenosha (Kenosha Co.), and 6.1 to 6.5 inches over southern Racine County from Burlington to Union Grove to south of the city of Racine. Numerous vehicle accidents were reported and many vehicles slid into roadside ditches. Accumulating snow started about 1600CST on the 20th when visibilities fell below 2 miles, and around 1900CST on the 20th, visibilities briefly dropped to 1/4 to 1/2 mile in moderate to heavy snowfall intensity. Over the remainder of south-central and southeast Wisconsin, generally 3 to 5 inches fell. Greater snowfall totals were observed in the northern Chicago suburbs where 10 to 12 inches were measured. The responsible low pressure tracked east-northeast across central Illinois.

WIZ046>047-051>052-056>060-062>072 **Marquette - Green Lake - Fond Du Lac - Sheboygan - Sauk - Columbia - Dodge - Washington - Ozaukee - Iowa - Dane - Jefferson - Waukesha - Milwaukee - Lafayette - Green - Rock - Walworth - Racine - Kenosha**

24	0900CST				0	0	100K		Strong Wind (EG39)
	2100CST								

Strong post, cold-frontal northwest winds, gusting to 39 to 44 knots (45 to 51 mph), affected south-central and southeast Wisconsin. Scattered power outages were noted due to broken tree branches hitting power-lines. Some of the broken tree branches littered road surfaces, and the usual garbage cans across the street idea prevailed.
