

David Chaffin

(Electronics Technician)

National Weather Service
Tampa Bay Area
2525 14th Ave SE
Ruskin, FL 33570
(813) 645-2323

Introduction

The ET provides field maintenance technical services (e.g., installation, maintenance, troubleshooting, repair, calibration) and related support for a wide range of complex electronic, electro-mechanical, data acquisition, communications equipment and standalone and networked computer systems. The ET implements nationally issued technical orders (e.g., system/equipment modification, software upgrade) issued by higher levels; plans and conducts complex tests and analyzes results. The ET also provides Information Technology (IT) support in the administration, monitoring, operation and maintenance of the site's computer systems, Local Area Networks (LANs), Wide Area Networks (WANs) and associated hardware and software.

Duties

- Safety Officer
- Radar Maintenance
- Upper Air Maintenance
