

When Information is needed...

...You could make the difference!

The 2009 Winter Weather Observing

Provided by the following:

National Weather Service, Grand Rapids Office.

Muskegon County Emergency Communication Service, Muskegon County Emergency Services Division, and Muskegon Community College with the MCC Geography Department, MCC Geo Club, and MCC Criminal Justice Department.

Date: Thursday November 5, 2009
Time: 7PM to 9PM
Location: Rm 1100 Stevenson Center
Muskegon Community College
221 S. Quarterline Road
Who: Anyone wishing to attend

The National Weather Service and Muskegon County need your help. Every Year, numerous people are affected by severe weather. Your accurate reports of weather information to the National Weather Service and local public safety officials may save lives. This class was created to deliver the essential information needed to report observations of winter weather conditions and to understand where to report that information.

This is a free class, and anyone with an interest in weather, helping their community, and meeting very interesting people are encouraged to attend. There is no need to call or register. Just be there. Refreshments will be provided. Anyone with questions about any of the above information is encouraged to contact either of the following:

Jeff Stapel, Muskegon County Skywarn Coordinator (231)343-5785

Dan Stout, Muskegon County Emergency Services Director (231) 724-6341
