**Who:** Anyone wishing to attend

**The National Weather Service and Muskegon County need your help.**

Every Year, numerous people are affected by severe weather. Your accurate reports of weather information to the National Weather Service and local public safety officials may save lives. This class was created to deliver the essential basic weather spotting knowledge needed to recognize potentially dangerous weather conditions, understand who to give that information to, and provide information on how to keep you safe while doing so.

This is a free class, and anyone with an interest in weather, helping their community, and meeting very interesting people are encouraged to attend. There is no need to call or register. Just be there. Refreshments will be provided. Anyone with questions about any of the above information is encouraged to contact either of the following:

**Tom Porritt, Muskegon County Skywarn Coordinator (231) 744-4485**

**Dan Stout, Muskegon County Emergency Services Director (231) 724-6341**
