Numerous trees and power lines were blown down in the center of Springfield.				
<b>CHAMPAIGN COUNTY --- 2.0 NE SEYMOUR [40.12, -88.39]</b>				
	10/24/10 22:02 CST		0	Hail (0.75 in)
	10/24/10 22:03 CST		0	Source: Storm Chaser
A slow-moving low pressure system interacting with an unseasonably warm and humid airmass triggered scattered thunderstorms during the evening of October 24th. A few of the storms became severe, producing damaging wind gusts and small hail.				
<b>(IL-Z036) FULTON, (IL-Z046) VERMILION, (IL-Z051) SANGAMON, (IL-Z066) EFFINGHAM</b>				
	10/26/10 02:49 CST		33K	Strong Wind (MAX 43 kt)
	10/27/10 00:00 CST		0	
Due to a very deep area of low pressure tracking across the Upper Midwest, strong winds occurred across central Illinois on October 26th. Winds were initially from the south during the early morning hours, but then switched to the west after passage of a strong cold front. Gusts between 40 and 50 mph were common. As a result of the windy conditions, a few reports of minor damage were received from around the area. In addition, a man was killed after he fell from a tree while attempting to clean up wind damage at his residence in Effingham.				
<b>MASON COUNTY --- MANITO [40.42, -89.77]</b>				
	10/26/10 04:02 CST		0	Thunderstorm Wind (EG 52 kt)
	10/26/10 04:12 CST		0	Source: Emergency Manager
